The Victor Merchants are respectfully requesting that on September 12, 2015 that the Village of Victor Board of Trustees grant us permission to have a sidewalk and craft sale. This sale will be located on East Main Street between Church Street and Maple Ave. The hours of operations will be from 8:00 am til 5:00 pm.

The craft tents will be set up on the street in the parking places between the roadway and sidewalks. Each merchant will have the first right of refusal to the spot in front of their store at no charge. Outside vendors will be charged a fee that will cover administration cost and other expense that are occurred by the Merchants Group. Only crafts vendors will be sought out, we will not be searching out booster clubs or non-for-profits. These groups will be direct to the Victor Chamber of Commerce who have in the past targeted such groups.

Parking: Over the past years the VCC has held Hang A Round Victor days on Main Street, Mead Square Park and the Village hall Parking lot. This did not produce any parking issues. Last year the VCC moved all of events to Adams street and Mead Square Park. While the Merchants group held a craft sale on E. Main Street. There were no parking issues that we were made aware of.

Vendors: It is our goal to have 50 – 60 craft vendors. These vendors will be prescreened from a standpoint that they must make a good to be sold. The targeted area will be wood, glass and other craft based items.

Support requested: We would ask that the night before the event or that morning that the DPW cone off East Main Street (as done last year) and the end of the event remove the cones.
