LOCAL LAW # -2018 TO IMPLEMENT A TEMPORARY LAND USE MORATORIUM PROHIBITING LARGE SCALE SOLAR INSTALLATIONS WITHIN THE TOWN OF VICTOR

BE IT ENACTED, by the Town Board of the Town of Victor, Ontario County, State of New York, as follows:

Section 1. Title

This Local Law shall be known as the "Moratorium on and Prohibition of Large Scale Solar Installations within the Town of Victor."

Section 2. Statutory Authority; Purpose and Intent.

This Local Law is intended to be consistent with and is adopted pursuant to the authority granted to the Town Board of the Town of Victor under the New York State Constitution, and the Laws of the State of New York, including but not limited to the following authorities: New York State Constitution Article IX, Section 2 (c)(ii)(6), (10); Municipal Home Rule Law § 10(1)(i); Municipal Home Rule Law § 10(1)(ii)(a)(6), (11), (12), and (14); Municipal Home Rule Law § 10(1)(ii)(d)(3); Municipal Home Rule Law § 10(2); Municipal Home Rule Law § 10(3); Municipal Home Rule Law § 10(4)(a), and (b); Statute of Local Governments § 10(1), (6), and (7); Town Law § 64 (17-a); Town Law § 130(3) and (15); Town Law § 135; Town Law Article 16 (Zoning & Planning) inclusive; Environmental Conservation Law § 3-0301(1)(b), 3-0301(2)(m) and 8-0113, as well as 6 N.Y.C.R.R. Part 617.

This Local Law is hereby declared to address a matter of local concern that relates to the broad area of land use planning and the physical use of land and property located within the Town.

This Local Law shall temporarily supersede and suspend those provisions of the Zoning Code of the Town of Victor which require the Planning Board and/or the Town Code Enforcement Officer to accept, process, and approve land use applications within certain statutory time periods.

This Local Law is intended to temporarily prohibit the siting of large scale solar power installations (as herein later defined) within the Town of Victor for a period of up to twelve (12) months, pending the development and adoption of local laws and/or ordinances designed to regulate and govern such installations.

The Town Board recognizes and acknowledges that the Town needs to study and analyze many considerations that affect the preparation of local legislation to regulate the future creation and siting of large scale solar installations. The Town Board has formally requested the Planning and Building Department of the Town of Victor to identify and review local laws from other jurisdictions, and related information and source materials, in order to assist in developing the parameters of a local law to regulate large scale solar installations.

The Town Board also recognizes the need to review and examine its existing ordinances, local laws and Zoning Code provisions insofar as they may be affected by the adoption of such local law(s) regulating the creation and/or siting of large scale solar power installations. It is deemed necessary to enact this moratorium in order to permit the Town adequate time in which to draft suitable legislation for this purpose. During the term of the moratorium the Town of Victor shall work to prepare and eventually adopt new land use regulations to incorporate into the Town's existing Zoning Code.

At this time, there are no pending applications for the location, development or site plan approval of a large scale solar installation.

During the pendency of the moratorium, the Town Board will consider how best to permit such installations so as to harmoniously integrate such installations with the existing agricultural community and landscape. At present, the Zoning Code of the Town of Victor may not adequately regulate such land use. If the community allows such development during that time, the goals of the Town Comprehensive Plan and its related legislation favoring the successful continuity of agricultural operations could be undermined or damaged. Moratoria are useful in controlling or temporarily inhibiting development until satisfactory final regulations are adopted. For these reasons, the Town Board finds that temporary moratorium legislation is both advisable and necessary for a reasonable and defined period of time in order to develop and adopt necessary zoning and land use changes to the Zoning Code of the Town of Victor, thus protecting and furthering the public interest, health and safety.

Section 3. Definitions.

For purposes of this Local Law, the following term shall have the meaning respectively set forth below:

Large Scale Solar Installation(s) - Any installation of solar panels, equipment and/or buildings or structures undertaken for commercial purposes with an intention of generating power from the sun and converting such power into electricity for resale to or by a third party (which does not include any individual or business that directs such produced energy back into the public grid solely to off-set their own energy consumption). Large Scale Solar Installations specifically do not include any solar panel collection system or array undertaken by individual landowners, householders or farmers for their own personal use or the use of a business owned by them.

Section 4. Temporary Moratorium and Prohibition.

A. From and after the date of this Local Law, no application for a permit, zoning permit, special use permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or other Town-level approval of any nature shall be accepted, processed, entertained, approved, approved conditionally, or issued by any board, employee, official or agent of the Town of Victor for the construction, establishment, or use or operation of any land, body of water, building, or other structure located within the Town of Victor for any Large Scale Solar Installation.

B. From and after the date of this Local Law, no Person shall use, cause, or permit to be used, any land, body of water, building, or other structure located within the Town of Victor for any Large Scale Solar Installation.

C. The prohibitions set forth above in Clauses A. and B. of this Section 4. are not intended, and shall not be construed, to prevent or prohibit the use and development of solar panel arrays or collections systems for any personal or individual use on or about any residence or place of business, or any farm operation, so long as such use does not produce energy for the purpose of resale to or by any third party. The term "resale to or by any third party" as used immediately above shall not be construed to include any individual or business that directs such produced energy back into the public grid solely to off-set their own energy consumption.

D. This moratorium shall be in effect beginning on the effective date of this Local Law and shall expire on the earlier of: (i) that date which is twelve (12) months after said effective date; or (ii) the effective date of a Town Board resolution affirmatively stating the Town Board has determined that the need for this moratorium no longer exists.

E. This moratorium shall apply to all real property and all land use applications for the siting or creation of Large Scale Solar Installations within the Town of Victor, excluding real properties within the boundaries of the incorporated Village of Victor and those owned by Victor Central School District.

F. Under no circumstances shall the failure of the Town Board of the Town of Victor, the Zoning Board of Appeals of the Town of Victor, the Planning Board of the Town of Victor, or the Code Enforcement Officer for the Town of Victor to take any action upon any application for a permit, zoning permit, special use permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or other Town-level approval constitute an approval by default or an approval by virtue of expiration of time to respond to such application.

#### Section 5. Penalties.

A. Failure to comply with any of the provisions of this Local Law shall be an unclassified misdemeanor as contemplated by Article 10 and Section 80.05 of the New York State Penal Law, and, upon conviction thereof, shall be punishable by a fine of not more than One Thousand Five Hundred Dollars (\$1,500.00) or imprisonment for not more than 10 days, or both for the first offense. Any subsequent offense within a three-month period shall be punishable by a fine of not more than Two Thousand Five Hundred Dollars (\$2,500.00) or imprisonment for a period of not more than 30 days, or both. For purposes of this paragraph, each day that a violation of this Local Law exists shall constitute a separate and distinct offense.

B. Compliance with this Local Law may also be compelled and violations restrained by order or by injunction of a court of competent jurisdiction, in an action brought on behalf of the Town by the Town Board.

C. In the event the Town is required to take legal action to enforce this Local Law, the violator will be responsible for any and all costs incurred by the Town relative thereto, including attorney's fees, and such amount shall be determined and assessed by the court. If such expense is not paid in full within 30 days from the date it is determined and assessed by the Court, such expense shall be charged to the property(ies) within the Town on which the violation occurred, by including such expense in the next annual Town tax levy against such property, and such expense shall be a lien upon such property until paid.

#### Section 6. Conflicts.

For and during the stated term of this moratorium, unless the stated term thereof shall be modified or abridged by the Town Board, this moratorium shall take precedence and control over any contradictory local law, ordinance, regulation, or Code provision.

#### Section 7. Validity and Severability

If any word, phrase, sentence, part, section, subsection, or other portion of this Local Law, or the application thereof to any person or to any circumstance, is adjudged or declared invalid or

unenforceable by a court or other tribunal of competent jurisdiction, then, and in such event, such judgment or declaration shall be confined in its interpretation and operation only to the provision of this Local Law that is directly involved in the controversy in which such judgment or declaration is rendered, and such judgment or declaration of invalidity or unenforceability shall not affect or impair the validity or enforceability of the remainder of this Local Law.

Section 8. Effective Date.

This Local Law, after its adoption by the Town Board of the Town of Victor, shall take effect immediately upon its filing with the Office of the Secretary of State of the State of New York
