1. O'CONNELL ELECTRIC - Area Variance 9-Z-20180
830 Phillips Road

The applicant is requesting an area variance to allow the construction of an addition to an existing building with a front setback of 50 feet whereas Schedule II, Area & Height Requirements indicates a minimum front setback of 80 feet. The property already received a 10 foot reduction of the front setback requirement in 1999 due to the Town of Victor purchasing 10 feet of property for road improvements.

Originally a request to amend the May 6, 2013 Use Variance Resolution for Song Hill Winery, 521 County Road 9, (6717 Song Hill Lane) Victor, NY to allow farm marketing activities for the public.
