PANERA BREAD – SIGN ON PYLON
7651 State Route 96

Applicant requests a determination of appropriateness to have a hearing to reconsider placement of a panel sign on a pylon that is not on their property whereas section 165-6D states a sign must reflect a bona fide business on the property with the sign. Applicant originally appeared before the Board on November 16, 2015. At that date the request for the variance was denied because the Ontario County Planning Board's final recommendation was disapproval, a Class 2 denial, and the local Board needed a majority plus one vote of their full Board to act contrary to that decision.

Such rehearing may be granted only upon the unanimous vote of the Board.
