PROJECT REVIEW:

1. 710 BROWNSVILLE ROAD – Andrew & Lauren Phillips

Applicant would like the Conservation Board to render an opinion as to whether he can substitute other land on his property for Conservation Easement lands so that he will be able to construct a driveway in what is now part of the Conservation Easement lands. The plans for the Zornow Subdivision were filed with the Conservation Easement on them, however, language for the Conservation Easement was never filed. The applicant would also like to have a Conservation Easement with language that is not the most restrictive language.
