The DiMarco Group on behalf of Rowley 96, LLC is requesting to develop a mixed use project on approx 96 acres located NW of Lane Rd and NE of State Route 96. The project includes several phases of development. Phase 1 consists of a 132,200 square foot retail sporting goods store, Bass Pro, with a 17,400 square foot restaurant; mass grading of the entire site; installation of the stormwater management system; the construction of access roads and installation of utilities, sidewalks and landscaping. Later phases will consist of a 200-room hotel, a mixed-use town center, multi-family residential complex and several outparcels. The town center is proposed to be the heart of the Fishers Ridge community consisting of 248,200 square feet of retail restaurant uses, 134,300 square foot of office/fitness space and 240 rental/residential units. The project is also proposed to include 250 dwelling units in three-story buildings with a combination of underground and surface parking. Seven separate outparcels totaling 35,300 square feet are proposed to be developed near the Route 96 frontage on the southern portion of the site. The Planning Board will be deliberating on the FEIS.
