Old Business:

Parks Cemetery:

- Plantings for urns discussed. Wilma suggested that pre-planted pots of flowers be purchased that can be set into the urns. Alternative is to purchase flowers, potting soil and plant in pots to place in urn. Will need to fill urn with "peanuts" or bricks to support the pots. Gary will ask Jeff Rader to measure urns for diameter and depth.
- Dedication of the Parks Cemetery discussed. Possible dates and times: Saturday May 28 at 9-9:30AM or Sunday May 29 at noon. Gary will ask town officials and town supervisor about best time for them. Babette will check on parking at Cole and Parks. Dianne will create the program for the dedication. Dianne would like Daily Messenger there to photograph.

Village Cemetery:

- Replacement of stones. Money is encumbered – Historic Advisory Committee \$225 and Cemetery Committee \$2400. Dianne will contact Senecal to determine status.
- Plantings. Dianne will check plants when warmer. Dianne will contact Diane Robinson about geraniums and planting plan around Beach vault. Her plan is estimated to cost about \$200.

New Business:

- Babette reported that the upcoming budget is \$2000 for maintenance of stones, and \$475 for landscaping.
