Old Business:

Parks Cemetery:

- Gary Hadden gave an update of the Parks Cemetery Re-dedication. It was well attended. Gary thanked Jeff for the condition of the cemetery and how nice it looked. The Legion had several members present.

Village Cemetery:

- Replacement of stones. Discussed the fact that the work is in process and that there are just piles of dirt where the new stones will be placed by Senecal.
- Dianne reported that 2 of the knock-out rose bushes appear dead. Jeff will inspect and if so, he will replace the two bushes and fill in with hostas. This will be done next week.

No motions could be made as there was not a quorum.

New Business:

- Gary introduced Carol Commisso who will be his replacement as liaison from the Village. It is not determined if Gary will remain on as a member. He will discuss with the Mayor.

Motion made to adjourn the meeting at 7:50 pm by Dianne Parks , seconded by Dianne Parks .  
Motion carried.
