Old Business:

- Village Cemetery:
Stones have been replaced, Senecal has completed job, bill will be received shortly.
- Parks Cemetery:
Dedication was on Sunday May 29 at noon. Gary did a great job leading the dedication, as did Babette Huber; at least 25 people were there including town officials, members of the American Legion, committee members.
Discussion of neighboring Parks Homestead and potential threat of sale and demolition, possible moving of building to location near to the cemetery. Possibility of obtaining permission to put on adjacent Thruway property.

New Business:

- Replacement/new member:
Possibly Gary Hadden or Carol Commisso
- Murray-Dillman Cemetery:
Is located on knoll next to Dillman farmstead on Boughton Hill Road; Bonnie will check with Mr. Allie Dillman to look at cemetery.
- 2017 Budget:
Will discuss at next meeting.
- Cemetery Committee/Town Code Book:
Discussion of having committee codified – not clear as to status; Gary noted that the Cemetery Committee is now a sub-committee of the Historic Advisory Committee so it may be already codified.
