Old Business:

Cemetery Mapping on the Town Map Babette reported previously by email that LaBella Consulting is continuing to work on the mapping. Their services will be charged to the Cemetery Committee budget. Babette will provide a firm number by the next meeting.

Results of the Cemetery Walk Chuck, Wilma and Bob walked the Old Village Cemetery on Monday, May 21st. A special thanks to Wilma for taking pictures and documenting the needed repairs. In general, the cemetery is in good shape. There are about two dozen stones that are in need of some repair. Of these, about five are cracked, ten are not firmly attached to their bases, and the remaining are tilted or slanted. Bob has contacted Finger Lakes Monument for an estimate. Bob will also find the requirements for getting bids. When we know the cost of the mapping we will use the remaining funds in our budget for the highest priority repairs.

Letter to Bonnie Waters Chuck will prepare a letter of appreciation to Bonnie Waters and send it to all members of the committee for review.

New Business:
