

Victor Village Cemetery Preservation and Restoration Committee

Meeting Minutes

July 31, 2018

Present: Eleanor Barry, Charles Callari, Wilma Townsend, Bob Kelly

Excused: Jeff Rader, Gary Hadden, Babette Huber, Dave Tantillo

Bob Kelly called the meeting to order at 7:00 pm.

Approval of Minutes:

Motion to approve the minutes from May 29, 2018 meeting was made by Charles Callari, seconded by Eleanor Barry; motion carried.

Old Business:

Cemetery Mapping: Wilma Townsend reported that the cemetery mapping by LaBella Consulting is nearly complete; corrections have been sent back to Labella. The example map looked very good for most of the cemeteries. When the mapping is complete it is desirable to have large, hard copy maps for the Village, for the Town Historian and for the Ontario County Historical Society (OHS). We will need a good estimate of costs as soon as possible to determine budget constraints for cemetery repairs. There was a question about when on-line access will be available to the mapping and who will have access to it. There was also a question of whether the mapping would be presented to the Town Planning Board.

Repairs to Monuments in the Old Village Cemetery: Bob Kelly has contacted Finger Lakes Monument and Tribute Care. He is still working to get together with someone from Finger Lakes Monument but he has walked the cemetery with Richard Doyle of Tribute Care. The initial estimate to repair the fifteen monuments seems reasonable. Richard Doyle seemed very knowledgeable and returned an estimate very quickly. We intend to get an estimate from Finger Lakes, determine how much we have left in our budget and then make a determination.

Letter to Bonnie Waters: Chuck Callaril prepare a letter of appreciation to Bonnie Waters; it was a very well worded tribute to Bonnie; Chuck will send it to Bonnie

Town Newsletter Article: Bob Kelly prepared a letter for the town newsletter that explains the responsibilities of the cemetery committee and explains the importance of remembering and honoring veterans and former residents who have contributed to our town. The committee discussed topics for future newsletters.

New Business:

No New Business

Our next meeting will be on Tuesday, August 28th, 2018, 7:00 p.m.

Motion to adjourn at 7:37 was made by Eleanor Barry and seconded by Chuck Callari. The motion carried.
