*Leisure Lines from the
Director of Parks and Recreation...*

Another successful summer recreation season has come to a close, so I would like to begin by thanking our wonderful summer recreation program staff who delivers these high quality activities to our participants. I would like to especially recognize the efforts of **Nicole Steger, Amanda (Henry) DeFranco, Erin Lewis, Matt Marion, Julie Lanning, Jeff Anthony, Christine (Thompson) Phelps, Don O'Brien** and **Christine Judge** who have returned every summer for the past ten years or more! This was my tenth summer in Victor as Director of Parks and Recreation and it's also rewarding to see many of our former day campers and swim lesson participants' return as recreation leaders and lifeguards in future seasons.

This fall, we will complete trail surfacing on the **Auburn Trail Extension** project which will enable trail use from Mertensia Road in Farmington all the way to Woolston Road and Powder Mill Park in Perinton and Pittsford. Eventually, this bicycle and pedestrian path will link up with the Erie Canal Path to the northwest and Canandaigua Lake to the southeast...how cool is that! On September 8th, we invite you and your family to join us at **VictorFest** which will share the same site as **Hang Around Victor Days** this year through a cooperative effort with our Chamber of Commerce. In this program guide you will find detailed information about the **Jack-O-Lantern Trail**, the newly minted **"VPR Halloween Tailgate Trick or Treat" party** at Victor Municipal Park and the latest and greatest recreation program information.

Later this year, we will launch our new **Town and Village website** including a "new" recreation program registration and facility reservation system, which will create a more robust experience for our residents and participants. Thanks for your commitment to the Victor Department of Parks and Recreation...we look forward to providing you with the ultimate leisure experience in the Finger Lakes region!

Best Wishes,

Brian C. Emelson, CPRP, Director of Parks and Recreation

Love retro and vintage fashion? Want to learn to sew from contemporary and vintage patterns? Need a sewing refresher course or just want to sew with other like minded individuals and take advantage of some amazing patterns? Come join us as we delve into the fabulous world of home sewing and fashion design. Topics covered will include (but are not limited to) how to operate your sewing machine, how to take your body measurements, successfully reading and using sewing patterns, clothing construction and fabric manipulation, troubleshooting a completed garment, and/or simple home decor projects. An assortment of 175+ contemporary and vintage patterns, provided by the instructor, are available for class use. These patterns include most size ranges in both contemporary and vintage men's, women's, and children's sizes as well as a few children's costume, vintage aprons, and home decor patterns. You are also welcome to bring in a pattern of your own choosing or design.

VICTOR TRAVEL BASKETBALL

Victor Travel Basketball is an organization created to offer a fun and competitive venue for young athletes, both boys and girls, to play basketball. Travel basketball conducts open tryouts for competition in grades 3 - 8, in both boys and girls divisions. Our program is not a recreation type program, rather a more competitive option for advanced play, in game situations. Tryouts will be held in October. For more information, on registration, location & times, as well as, tryout dates – please refer to the program's website, www.victortravelbasketball.com.

Although this program is not offered by the Victor Parks and Recreation Department, we work closely with their organization to offer that competitive option to our growing basketball program. Victor Travel Basketball is available to all Victor Central School District residents.

For questions or more information, contact Scott Long, Boys' Coordinator, slong14@rochester.rr.com or Dave Clar, Girls' Coordinator, dclar@HarrisBeach.com.

QIGONG

In this 5,000 year old practice one learns to build strength and increase their energy without putting stress on the body. Not only does Qigong help relax the body and mind it also strengthens the circulatory system, metabolism, digestion, and endocrine system.
