Leisure Lines from the Director of Parks and Recreation...

By the time this brochure reaches you, we hope that you are well underway with your spring activities. This season, you will find many of your favorite recreation programs including our summer camp guide, swim lessons, Summer Escapades programs and Sid Partington Memorial concert in the park series. You will also note many new programs including the **Honor Flight activities** slated for **May 11th – 19th** throughout the Town as well as information about reserving our **"New" Lodge** at Victor Municipal Park!

In an effort to reach our residents and participants more efficiently and economically, the Town has chosen to no longer mail the Town and Village Newsletter. With this change, the Town, Village and the Department of Parks and Recreation are undertaking a re-design of our community website and recreation registration system. Throughout the season, you will see many updates to our website and **FACEBOOK** page. By clicking on www.victoryny.org you will also be able to download copies of this brochure as well as facility reservation forms for the lodges and shelters in our parks. If you are looking for an activity or parks and trails information that you don't find, please give us a call at (585) 742-0140.

In closing, I would like to recognize **Edward Gharzouzi**, a senior at Victor High School who has served on the Parks and Recreation Citizens' Advisory Committee for the past two years. Initially, I had the opportunity to work with Ed on his Eagle Scout project in the Village Cemetery. Ed was a contributor to such projects as the Victor Municipal Park children's playground and lodge. Ed was also a constant presence at our meetings and gatherings and raised the bar for future student members of our Committee...we wish him the best as he sets his sights on new challenges!

We hope that you will keep the Department of Parks and Recreation in your plans as you **shape up to spring** in Victor!

Sincerely,

Brian C. Emelson, CPRP, Director of Parks and Recreation

HORSEBACK RIDING

The Phelan Training Stable program introduces riders of all abilities to the challenges and responsibilities of taking care of horses under the supervision of a qualified instructor and assistants. Our program provides a balance between mounted instruction, talks and demonstrations. Each participant will receive a riding lesson every session. Riding instruction will be geared toward each individual's needs. Students will also learn many aspects of horse care, including grooming, feeding, anatomy and much more. The overall priorities of the Phelan Training Stable riding program are safety, fun and skill advancement. Horses can help us accomplish many of our goals: self-confidence, leadership, respect, responsibility and compassion. Horses also provide excitement, freedom, adventure and friendship. Parks Information

Auburn Trail

The Town received Transportation Enhancement Program (TEP) grants totaling \$2.3 million dollars for the design and construction of this multiuse trail. Construction will continue through 2013. Project activities include: stonedust surfacing of the entire trail, providing way finding and interpretive signage along the trail, establishing several parking areas, constructing plazas at key interest points and providing literature about the trail. The recently completed bridge over Irondequoit Creek now provides trail connectivity from Fishers Road to Railroad Mills Road.

Boughton Park Stirnie Road & Boughton Road

Located in the Town of East Bloomfield, Boughton Park is owned by Victor, East Bloomfield, and West Bloomfield. Run by an independent Board of Directors with representation from all three towns, the park covers 330 acres with 56 acres of ponds. Permits for the park can be obtained at Victor Town Clerks office, 85 East Main Street. Please bring proof of residency. The permits are free to Victor Residents.

Dryer Road Park 7405 Dryer Road

This 132-acre park is the site of athletic fields and a box sports rink. There is a multi-age playground for children, year-round restrooms facilities, and a picnic shelter, which is available for casual use or reservation. There are 15 miles of multiuse trails for a variety of skill levels and abilities. Please sign in at the trailhead kiosk and pickup a trail map prior to setting out to explore the trails. Trail maps can also be downloaded at www.mygroc.com and www.VictorNY.org.

Fishers Park 7929 Main Street, Fishers

Located in the hamlet of Fishers, this 93 acre park is a diversity of passive and active recreation opportunities. Visitors can see a multitude of wildlife from deer, squirrels, and other woodland creatures to waterfowl and trout that spawn in the spring. Two tennis courts are available for the tennis players in your family. The extensive trail system is a great place to hike. Trails meander through the park across wooded ridges, through wetland areas, and along the banks of Irondequoit Creek. New acreage off Old Dutch Road provides you with many new trails with beautiful vistas. The extensive trail system is a great place to hike, snowshoe or cross-country ski.

Parks Information

This newly improved trail has a stonedust surface, which is suitable for hiking, running, biking, snowshoeing and cross country skiing. The Town's portion of the former Lehigh Valley Railroad corridor is approximately two miles in length and travels from the Auburn Trail Connection at Phillips Road to the Victor-Mendon town line. There are convenient parking areas located at road crossings. The Town and Victor Hiking Trails completed construction of a pedestrian and a bicycle bridge on the former Lehigh Valley Railroad trestle at Phillips Road in November 2007, enables trail users to enter the rear of Lehigh Crossing Park and enjoy its many recreational opportunities.
