Leisure Lines

Leisure Lines from the Director of Parks & Recreation...

As a growing community, I am sure we are all very familiar with the many facility improvement projects that have occurred over the past decade or so. These improvements have included the construction of our "new" Town Hall, the Auburn and Lehigh Valley Trails, Dryer Road Park and Victor Municipal Park as well as several wonderful additions to the Victor Central School District (VCSD) campus. This effort will continue this spring and summer with the construction of the "new" aquatic facility on the VCSD campus. Please pardon our progress as we will not be able to offer our summer aquatics programs this year including our popular swim lessons. In this guide, we have offered you some alternatives for swim lessons this summer. We look forward to your return with us later this year when our new aquatics facility opens!

Spring and summer in the Finger Lakes signify the season for festivals and special events! Victor residents and our visitors can look forward to a *Pancake Breakfast in the Woods* at Victor Municipal Park on May 4, *National Trails Day* on June 1, *Movies in the Park* beginning on June 27, the *8th Annual Fat Tire Mountain Bike Festival* at Dryer Road Park on July 21 as well as the *Sid Partington Summer Concerts in the Park* series kicking off on June 13! Put a cap on your seasons' activities with *Hang Around Victor Day* and *VictorFest* on Saturday, September 7... a great way to celebrate the quality of life in Victor!

We are looking forward to your continued participation in our recreation programs and encourage you to make the most of your leisure time!

Sincerely,
Brian C. Emelson, CPRP, Director of Parks and Recreation

NEW! LEARN TO ROW - NOVICE

Rowing has become one of the fastest growing sports in America. It's fast, exciting, and anybody can participate. If you've always wanted to try this sport, then this program is for you. Participants will row in an 8-person shell (did you know these are 60' long?) and will learn all the basics of rowing: boat handling, how to perform the rowing stroke, and safety procedures. This is truly the "ultimate team sport".

This is an introductory program for individuals who have not previously participated in an on-water rowing program. The emphasis is on safety, boat handling and the introduction of biomechanically correct and efficient movement patterns. The progression is designed to promote proper rowing technique right from the beginning to minimize the possibility of improper technique or "bad habits" being formed.

All classes of any session are MANDATORY. This is a team sport and requires full participation. Sessions are 8 weeks. A minimum of 8 participants are required.

LOCATION: The first two classes of the Learn to Row Session will be held at the Pittsford Indoor Rowing Center, located at 2800 Clover Street, Pittsford, 14534. The on the water sessions will be held at the Genesee Waterways Center at 149 Elmwood Ave.

Perinton Recreation & Parks Department Early Drop Off/Late Pick Up Policy

The Perinton Recreation and Parks Department offers a wide variety of programs for youth. Parents and/or guardians are requested to drop off and pick up their children at the specified program time listed in the program and on the registration receipts.

Children are not to be dropped off early or picked up late without the expressed permission from the program supervisor or recreation administrative staff.

A late fee will be assessed to any participant(s) who do not abide by this policy. A verbal or written warning will be given for the first offense. A second offense will result in the assessing of a late fee of \$10 for each 15-minute period (or part thereof). This fee must be paid before the participant is allowed to continue participating in the activity. We incur additional costs for staff salaries and benefits when children are left in our care before or beyond the designated program time.

Emergency situations should be discussed with the program supervisor or recreation administrative staff. If you should have any questions, contact us at 223-5050. Thank you.

REFUND POLICY

A refund for any reason will be given only if applied for at least seven calendar days prior to the start date of the program. Refunds after this period will be given on a pro-rated basis and only when accompanied by a signed doctor's certificate indicating an inability to participate, or appropriate documentation evidencing personal emergency or hardship. A \$5.00 processing fee, per participant, per program, will be charged for all refunds. A \$5.00 fee will be charged for each participant transfer request. Program cancellation and transfer requests must be made in writing, and request forms are available at the Community Center reception desk or online at www.perinton.org. If the program is cancelled by our department, a full refund will be given and no processing fee will be assessed. We depend on school facilities for several programs. When school access is cancelled, our programs still incur expenses. Program refunds will not be given when there are emergency school cancellations that require us to cancel short term, school based programs.
