Leisure Lines from the Director of Parks and Recreation...

Winter will soon descend upon us in the Finger Lakes so we hope that you have your hats and gloves ready and some adventures planned to keep your spirits warm on the chilly days to come. On December 6th and 7th, our community theatre troupe will celebrate its' 10th anniversary with a performance of "How the Grinch Stole Christmas." This annual holiday production, under the direction and leadership of Peggy Zorn, helps us kick-off the holiday programming season!

Our Community Band and Chorus will host two, free holiday concerts in December as well. This talented and dedicated group of Victor residents provides the perfect opportunity for those that wish to share their vocal and instrumental musical abilities with the Victor community. The Community Chorus rehearses on Tuesdays at 7:00 p.m. at St. John's Lutheran Church and the Community Band rehearses on Wednesdays at 7:00 pm at the Victor Intermediate School Band Room. Please feel free to check in with Mary Ann Buneo and Kathy Swigert for more information on joining these Department of Parks and Recreation sponsored activities.

Winter recreation program plans for Victor senior citizens in 2014 include a visit to The Abbey of the Genesee in Piffard with lunch at the Big Tree Inn in Geneseo. We are also offering a "new" Morning Breakfast Club, so rise and shine and join Jerry LaVigne and Mike Stockman for an exciting and tasteful start to your day! We are planning a Grandparents Outing with the Harlem Globetrotters at Blue Cross Arena as well as taking in Neil Simon's The Odd Couple at GEVA Theatre.

Please keep an eye out for our next seasonal parks and recreation brochure for details on where to find your friends at the Town of Victor Department of Parks and Recreation as we may be moving to a new location! If you have a comment or an idea for a "new" program or a way to make an existing activity or facility better...please reach out to us at (585) 742-0140 or at www.victoryny.org

The Town received Transportation Enhancement Program (TEP) grants totaling \$2.3 million dollars for the design and construction of this multi-use trail. Construction will continue through 2014. In 2014 we will design and install interpretive and way-finding signage, plazas and benches along the newly established trail. The recently completed bridge over Irondequoit Creek now provides trail connectivity from Fishers Road to Railroad Mills Road.
