## Leisure Lines from the Director of Parks and Recreation...

As I look out the Recreation Center window and see the leaves change in nearby Fishers Park and take in my final mountain bike rides at Dryer Road Park, the fall offers me a great deal of professional as well as personal enjoyment in the Victor community. While the autumn air becomes a little crisper and our children or grandchildren head back to school; we use fall to grab the last bites of mild weather before winter arrives in Ontario County. At the Department of Parks and Recreation we are just coming off our peak season, with our many summer camps, swim lessons and special events. I would like to thank the many summer seasonal camp and aquatics staff who support our full-time, professional staff with their leadership and commitment to area youth.

The fall is also the time when we begin to roll out many "new" recreation programs and activities. This fall, we are adding an afterschool childcare component at the Recreation Center – the "VPR Rap" (Recreational Afterschool Program) offers youth in Grades K – 6th a fun, safe and affordable option during the afterschool hours. For budding, young chefs in our community, please check out Chef Melissa McCabe's delectable, seasonal offerings including "Thanksgiving Desserts" and "Holiday Cookies!" Seniors can join us for our Pickleball program on Tuesday mornings and if you are looking to maintain your fitness and make some friends, drop by Julie Vanderstyn's aerobic and weight training class or check out one of Heather Ottnod's lively Zumba classes!

On a more somber note, in late May Dr. James Nohe, a longtime Victor Community Band and Chorus member and organizer passed away. Jim was an active community volunteer supporting not only the Band and Chorus initiatives, but also the Victor Farmington Volunteer Ambulance, the Red Cross and the Victor Lions Club. For many years, Jim and his wife Annette selected, organized and stored the numerous pieces of sheet music for the Band and Chorus. Jim was wonderful to collaborate with and we will miss his presence at our Community Band and Chorus concerts and in the Victor community.

This summer, we welcomed Keith Maynard to our Department staff. Keith will be working as a Parks Motor Equipment Operator with responsibilities involving mowing and landscaping, horticulture, facility maintenance, and snow removal. Keith's previous experience includes several years in the Parks Department at the Town of Penfield, maintenance activities at Boughton Park and operating a family-owned nursery. Keith lives in Victor with his wife Sueann and their three children Lauren, Colin and Megan.

Please join us in welcoming Keith when you see him in one of the Victor parks, facilities, activities or events!

As always, I look forward to seeing you at one our many recreational programs or at one of our many beautiful parks this fall.

All the Best,

Brian C. Emelson, CPRE • Director of Parks and Recreation

## **Victor Municipal Park 6680 Paparone Drive, off of Brace Road**

Victor's newest park features a multi-age playground, enclosed lodge, picnic shelter, outdoor fitness stations, sand volleyball court, bocce ball court, horseshoe pits, stocked fishing pond and trails. The park bandshell and amphitheater host many special events including our summer concert series. For lodge and shelter rentals please contact the Department of Parks and Recreation at (585) 742-0140.

## **MaryFrances Bluebird Haven • 235 County Route 9**

Located on Victor -Egypt Road (County Road 9), across from the Valentown Road intersection, this living classroom has an emphasis on preservation and restoration of New York State's official bird, the Bluebird. A one mile trail looped trail traverses the property through open fields and woods. This trail enables park visitors to see bluebirds in their natural habitat. The renovated Butler Cottage is available for family gatherings, parties or business meetings. Included is a newly constructed handicapped accessible fishing dock. For reservations, please contact the Department of Parks and Recreation at (585) 742-0140.
