Our dance callers teach the
moves of each dance, so *everyone*-
newbies and dancers of other styles
alike, will *all* have great fun and
dance like pros! So bring a dance
partner, bring a group, or just bring
yourself! And if you don't want to
dance, you can just enjoy the music,
fun & BBQ!

*(P.S. It's ok to change your mind about square
dancing, or if you want- just free style dance
outside of the dance square groups!)*
