

APPLICATION FOR BUILDING PERMIT FOR WIND ENERGY CONVERSION SYSTEM

General Information

This application is for the installation, construction, modification, and use of any and all wind energy facilities, including wind measurement towers, proposed to be situated in the Town of Victor, exclusive of the Village. No wind energy conversion facility shall be constructed, reconstructed, modified or operated in the Town of Victor without a Special Use Permit and issuance of a building permit. This form is for the application of the building permit.

Application is for:

Wind Measurement Tower

Wind Energy Conversion System

Prior to any review of this permit, the following must be submitted:

- Copy of the application and supporting documentation for a Special Use Permit submitted to the Planning Board. A list of the required documents can be found in the Town of Victor Code, §206.
- Documents that demonstrate the proposed facility meets the system reliability requirements of the New York Independent System Operator, or provide proof that it has executed an Interconnection Agreement with the New York Independent System Operator and/or the applicable Transmission Owner.
- Copies of all necessary State DOT and County Highway permits.

THIS APPLICATION IS DOUBLE SIDED

The applicant shall, as part of this application, agree to:

- Notify the building department of any changes in the information contained in the application or approved plans and specifications.
- Perform all work in accordance to the submitted and accepted construction documents.
- Notify the building department at least 24 hours in advance for all required inspections and receive approval before any building element, equipment, or system is covered or enclosed.
- Authorize inspections by Code Enforcement Officer or his representative during all phases of construction.
- Prominently display on the premises the building permit issued and authorize the Building Inspector access for the purpose of inspections during construction.
- Not use in whole or in part for any purpose whatsoever until the structure meets all applicable codes, stipulations, all inspections have been made, approvals granted and a certificate of occupancy or compliance is issued.
- Abide by Planning Board and Zoning Board of Appeals approvals and conditions.
- Have all electrical work inspected by an authorized agent of the Town of Victor and procure a certificate of approval.
- Commence work within six months of the issuance of this permit or the permit will be revoked.
- Make application for and pay all appropriate fees to the Town of Victor before a Certificate of Occupancy is issued.
- Protect and repair any of the town facilities pursuant to Section 162-55 (Sewer) and Section 202-9 (Water).
- Abide by the Town Design and Construction Standards.
- Work may NOT commence prior to the issuance of the building permit. At the time of the issuance of such permit, a copy of the approved plans will be returned to the applicant to be kept at the work site, available for inspection throughout the progress of the work.

APPLICATION IS HEREBY MADE to the Building Department for the issuance of a permit, pursuant to the appropriate code, for the construction of a fence. The applicant agrees to comply with all applicable laws, ordinances and regulations, and hereby understands that acceptance does not relieve the agent, applicant, builder, engineer, or owner from complying with any of the provisions of the NYS Building Code, SEQR act, local zoning, etc., whether stated, implied, or omitted in the plans and specifications submitted for the building permit.

APPLICANT FURTHER AGREES that work shall not commence prior to issuance of permit.
