Meeting Minutes

June 27, 2022

Present: Wilma Townsend, Barb Pippin, Cameron Bender, Bob Kelly, Babette Huber, Drew Cusimano

Bob Kelly called the meeting to order at 5:00 pm.

Approval of Minutes:

Motion to approve the April 25, 2022 meeting minutes was made by Barb Pippin, seconded by Cameron Bender; the motion carried.

Old Business:

a. Thanks to everyone for making the Cemetery Tour and Reenactment on May 2nd a success. There were about twenty spectators. The weather was perfect. Everyone had a good time, especially the actors. We will try to reschedule the event in another year.

New Business:

a. There are three monuments in need of repair. Bob met with Richard Doyle of Tribute Care. He submitted an estimate of \$275 for the work. Cameron made a motion to authorize \$275 for Richard Doyle and Tribute Care to make the repairs. The motion was seconded by Wilma. The motion carried.

b. Cleaning monuments. Many of the monuments are stained and dirty. There is a safe cleaning solution, D2-Biological Solution that was developed for this purpose and is available on the internet. Bob will order the solution and necessary gloves, scrub brushes and rags to clean the stones. Babette has been contacted by many cemetery caretakers who want to know how to clean monuments. She would like to arrange a demonstration for them at our cemetery. Richard Doyle has expressed an interest in giving a talk and demonstration. We will need to determine interest, set a date, and spec what kind of demonstration we need. Babette will follow up with her historians. Bob will get supplies.

c. We still need one more committee member. Ask friends who might wish to get involved.
