Salute to the flag.

Open Discussion

Nancy Peglow, 307 School St., came before the board requesting the Village petition the state to lower the speed limit from 45 mph to 30 mph from the Village line to Dryer Rd. Ms. Peglow has submitted this request several times over the years. The Town petitioned the state several years ago, but it was denied. The board suggested Ms. Peglow make the request to the Town Board which the Village Board will support.

Ms. Peglow is also concerned about the crosswalk on School St. at the Auburn Trail. People crossing the road do not stop, they just walk right across. Mr. Turner stated there are stop signs on the trail, but they don't pay attention.
