INSTRUCTIONS FOR BUILDING PERMIT APPLICATION

- This application must be submitted before any work is commenced.
- A plot plan with dimensions must be submitted with all applications detailing the proposed work.
- Where applicable two stamped sets of plans with energy calculations shall accompany all applications. Otherwise a drawing with dimensions and as much detail as possible is needed.
- A copy of the Disability & Paid Family Leave Benefits and Workman's Compensation Insurance Certificates from the contractor **MUST** accompany the application before a permit can be issued. The form CE200 can be substituted.
- Upon approval and payment of fee (see Village of Victor fee schedule), a permit will be issued to begin work. That permit will display an expiration date and should be posted allowing the Code Enforcement Officer access to your property for inspections. It is your responsibility to call for inspections.
- Work must commence 180 days from the issue of a permit as indicated on the permit.
- All electrical work shall be inspected by an authorized agent of the Village of Victor.
