Contractor/Builder's Address _____ Cell Phone No. _____

Village of Victor Code requires most signs to receive Planning Board approvals prior to issuance of building permit. In many cases, there are other approvals needed as well. Please inquire about submission requirements, deadlines, etc., as soon as possible.

Acceptance does not relieve the agent, applicant, architect, builder, engineer, or owner from complying with any of the provisions of the NYS Building Code, Energy Code, SEQRA Act, Local Zoning, etc., whether stated, implied, or omitted in the plans and specifications submitted for the building permit.

Signature of Applicant: _____ Date _____

Signature of Owner: _____ Date _____

The applicant shall, as part of this application, agree to:

- Notify the building department of any changes in the information contained in the application or approved plans and specifications.
- Perform all work in accordance to the submitted and accepted construction documents.
- Notify the building department 24 hours in advance for all required inspections..
- Prominently display on the premises the building permit issued and authorize the Building Inspector access for the purpose of inspections during construction.
- Abide by Planning Board and Zoning Board of Appeals approvals and all plan amendments made by the Building Department.
- Have all electrical work inspected by an authorized agency and procure a certificate of approval.
- Commence work within six months of the issuance of this permit or the permit will be revoked.
- Work may NOT commence prior to the issuance of the building permit.
